POOJA S DODDAGOUDAR

OBJECTIVE

A passionate and adaptable software developer with a solid foundation in problem-solving and team collaboration. Seeking to contribute to impactful projects, grow professionally, and support the organization's technological goals.

EDUCATION

BE | Computer Science and Engineering

Shri Dharmasthala Manjunatheshwara College of Engineering and Technology, Dharwad.

2022 - Present

CGPA-9.35

SENIOR SECONDARY EDUCATION

Impulse PU Science College.

2020- 2022

Percentage-91.83

SECONDARY EDUCATION

MJE Society's Lions English Medium School.

2020

Percentage-96.32

PROJECT

Minor Project – Towards Digital Hostel Administration - A modular web application approach (09/2025)

Tools & Technologies: HTML, CSS, JavaScript, MongoDB, Python, Flask, Render

Built a modular and secure web application to streamline hostel administration by digitizing routine operations and improving communication.

Key Modules: Leave Letter Management, Notification System, Room Allocation, Attendance Tracking, Complaint Management.

Published Work:

“Towards Digital Hostel Administration: A Modular Web Application Approach”

Published in the **International Journal of Scientific Research and Engineering**

Development (IJSRED), Volume 8, Issue 3, May–June 2025
